Did you know?

The Grand Canyon can hold 900 trillion footballs

Only two sports have been played on the moon—golf and the javelin throw.

Ingredients

250g frozen mixed berry

250g 0%-fat Greek yogurt

1 tbsp. of honey or agave syrup

Blend the berries, yogurt and honey in a food processor for 20 seconds, until it comes together to a smooth ice-cream texture. Scoop into bowls and serve with more Honey or agave syrup.

Cross-country

On Tuesday 6th, over 300 excited runners met on a muddy field at the back of Outwood Grange Academy. Each of the teams entered had won their cluster event and were keen to progress to the next round at Temple Newsome but first there was the partnership championships to overcome and in these conditions, it was anybody's game. Year 4 Girls were first out of the blocks followed by the Year 4 Boys competing over a distance of 800m. Next follow the Year 5 Girls, Year 5 boys, Year 6 Girls and finally Year 6 Boys, each covering a distance of 1500m. Angela Daniel, Competition Manager and her team of sports leaders, brilliantly organised the event.

Sports Interviews

By Charlotte Vause & Louisa Batty

Rosie | Class 9 | Upper KS2

My name is Rosie. I play for the Walton hockey team. I also play for Wakefield hockey team with Amelia Thompson (she also plays for Walton). Hockey is a fun but dangerous and you usually obtain a few injuries while playing. Luckily, this tournament our team did not get in any harm. In fact, we did really well- on all our games we won, apart from the last one.

How did you feel at the tournament?

I felt tired but elated.

Did you enjoy being there?

Yes. The games were good.

Zack | Class 1 | KS1

My name is Zack and I enjoy playing Cricket.

What position do you play?

I like hitting the ball and playing as a fielder

Do you play anything else?

I like doing swimming but Cricket is the best.

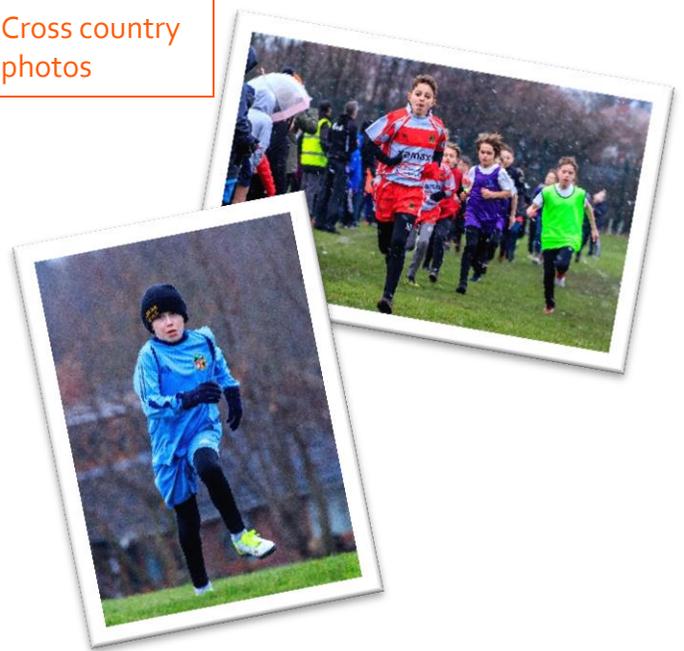

Hockey & Cross Country

A cold but amazing evening of hockey with teams from Charlston, Walton, Crofton Junior and Shay Lane primary schools. With the action coming thick and fast, each team battled their way through four games of intense hockey. There were loads of great skills on show, super passing, brilliant dribbling and fantastic goals. Everybody played well but it was Charlston, who were overall winners, with Walton and Crofton Juniors coming second and third!

Well-done to all who participated in either cross-country or hockey.
