Year 1
Multiplication and division
Position and direction
Time
Money
Fractions
Year 2
Properties of shape
Measures (including time, length/height, mass, capacity and temperature)
Position and direction
Statistics

English

Phonics and Spelling
Year 1 children will be preparing for the Phonics Screening Test in our daily phonics sessions.
Year 2 children will be learning spelling patterns and applying them in their independent work.
Writing
We will be applying all the skills we have learnt this year into longer pieces of writing based on a variety of texts.
Handwriting
Daily handwriting sessions will help us develop 'joined up' handwriting.

Topic - Down on the Farm

Different types of farm
Rural/urban comparisons
How weather affects farming
History of farming machinery
From farm to fork activities
Planting and growing our own food

Computing

We will be using Purple Mash to develop our coding skills using 2Code. We will debug and write our own algorithms.

P.E.

We will be developing our teamwork skills and learning to play team games such as benchball and scatterball.

Help at home:

- *Use Spelling Shed, Bug Club and TTRockStars regularly
- *Read as often as possible
- *Encourage your child to talk about school homework
- *Talk to us if you have any concerns
- *Practise using money
- *Practise telling the time
- *Complete weekly
