	Disadvantaged pupils will make good progress in literacy and numeracy lessons.
<b>D.</b>	All pupil premium children will have attendance over 90%
	Disadvantaged attendance will be in line with school non disadvantaged

<b>4. Planned expenditure</b>					
<b>Academic year</b>	<b>2018/19</b>				
The three headings below enable schools to demonstrate how they are using the pupil premium to improve classroom pedagogy, provide targeted support and support whole school strategies.					
<b>i. Quality of teaching for all</b>					
<b>Desired outcome</b>	<b>Chosen action / approach</b>	<b>What is the evidence and rationale for this choice?</b>	<b>How will you ensure it is implemented well?</b>	<b>Staff lead</b>	<b>When will you review implementation?</b>
All staff will use effective strategies (differentiation) to deliver first quality teaching in literacy and numeracy.	<b>Differentiation toolkit that has been developed to be accessed by all staff during the planning process. Homework audit to be carried out to check on its accessibility for all children. Improvements to be planned in conjunction with parents. To enable children with severe SEND to access a highly differentiated curriculum they will have</b>	<b>All children will benefit from high quality teaching, particularly LA children and pupil premium children who are on the SEN register for moderate learning difficulties.</b>  <b>Some pupil premium children with EHCP's require full time support to access the school day. This requires school to employ a full time TA and cover the shortfall from SEN funding.</b>	<b>Planning time for CPD sessions. Dates booked into CPD calendar</b>  <b>Timetabling will be reviewed regularly and staff will support children according to their skills and the needs of the child.</b>	<b>AF, RT, phase leaders</b>  <b>AF, AH, LS</b>	<b>Focus for learning walks each half term. Focus for monthly book scrutinies.</b>  <b>Half termly</b>

	<b>access to an adult at all times during the day.</b>				
All school staff will be aware of the specific needs of LAC/post LAC children and will adapt the classroom environment to respond to these needs.	Continue to be part of the Adoption UK school membership scheme to ensure that we are an attachment aware school. Continue with CPD to develop staff understanding and skills. Develop the Emotional Literacy Support Programme in school so we have a KS1 practitioner.	Several children in school have attachment difficulties and this has been identified as a training need for staff. Some of these children are not meeting their academic potential. Several disadvantaged children in school have social and emotional difficulties which impact on their ability to learn.	<b>Dates booked into CPD calendar</b>  <b>Discussions with ELSA practitioner on a weekly basis.</b>	AF, AW	Reviewed half termly during pupil progress meetings.  ELSA programme is reviewed through funded supervision by educational psychologist
<b>Total budgeted cost</b>					£200 resources to support differentiation of literacy and numeracy £17310 3 x 15 hours of TA support £225 Adoption UK Membership £550 ELSA training £500 ELSA Supervision £3000 KS2 and KS1 TA working in ELSA role for one morning per week Resources (books) to deliver ELSA programme and support PSHE teaching £200
<b>ii. Targeted support</b>

5. Review of expenditure				
Previous Academic Year				
i. Quality of teaching for all				
Desired outcome	Chosen action/approach	Estimated impact: Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate.	Lessons learned (and whether you will continue with this approach)	Cost
All staff will use effective strategies (differentiation) to deliver first quality teaching in literacy and numeracy.	<p><b>Differentiation toolkit that has been developed to be accessed by all staff during the planning process.</b></p> <p><b>Homework audit to be carried out to check on its accessibility for all children.</b></p> <p><b>Improvements to be planned in conjunction with parents.</b></p> <p><b>To enable children with severe SEND to access a highly differentiated curriculum they will have access to an adult at all times</b></p>	<p>Over a period of two years there has been significant input into the training of teachers to impact on the quality of effective wave one teaching. In most classes staff have been observed using effective strategies but this still needs embedding so it is consistent throughout school.</p> <p>A homework audit was carried out and a new policy, with an emphasis on differentiation and pupil premium children needs to be shared and implemented.</p> <p>SEND pupils do have assigned support based on their needs and the skills and training of support staff.</p>	<p>EHCP pupils will continue to have access to an adult but some support is on a 1:2 basis.</p> <p>Monitoring and parental feedback evidence that differentiation still needs to be a focus.</p>

## Pupil Premium Plan 2018-19

<p>All school staff will be aware of the specific needs of LAC/post LAC children and will adapt the classroom environment to respond to these needs.</p>	<p>Continue to be part of the Adoption UK school membership scheme to ensure that we are an attachment aware school. Continue with CPD to develop staff understanding and skills. Develop the Emotional Literacy Support Programme in school so we have a KS1 practitioner.</p>	<p>This outcome has been achieved and has had considerable impact. Teaching staff are now far more conscious of the needs of these children and are beginning to adapt their classroom practice. Most classroom spaces have been slightly adjusted to meet the needs of children with attachment difficulties.</p> <p>There is now a KS1 ELSA in school and this has already had a positive impact on several of our disadvantaged children.</p>	<p>We will continue to be a school member of Adoption UK but we need to ensure that time is allocated for staff to explore the website and benefits that this brings so we are accessing the most up to date and relevant advice.</p>	
<p>Attainment of SEND/pupil premium children will be accurately assessed and closely monitored to ensure that provision is as effective as possible</p>	<p>Staff will be assessing pupils on Wakefield Progress Steps (where appropriate) so they have an accurate understanding of what they can do and what their next steps in learning are.</p>	<p>The SEN tracking grid is now in place and is a record of the attainment of all children who are BELOW on a half termly basis. Teaching staff are now more accountable for the progress of these children. It has had a significant impact because we can now monitor progress and intervene when lack of progress is highlighted and celebrate achievements.</p>	<p>Revision of WPS and assessment requirements for all staff is necessary and is booked in for September.</p>	
<p>SEND/Pupil Premium children will be effectively supported with their speech and language development.</p> <p>All teachers will develop skills in teaching children with speech and language difficulties and therefore impact on the progress of a wide range of children</p>	<p>SALT will work in school for one day a week. This will involve individual assessments and work programmes, drop in sessions for teachers, observations and strategies for support staff and specific staff training.</p>	<p>This action has had a significant impact and children with SALT difficulties receive timely interventions. FS data shows the accelerated progress for identified children.</p> <p>The children in the vocabulary interventions have made accelerated progress. Some have moved into the average percentile.</p>	<p>Wave 1 teaching has improved in meeting the needs of children with SALT. This still needs to be a focus of CPD in the next academic year considering the identified needs of a large group of children (including disadvantaged)</p> <p>Input from Talking House has been invaluable</p>

We will continue to try and work with them to improve their children's attendance in the next academic year.</p> <p>This has enabled all children to have access to first hand experiential learning. Wrap around care is now affordable for all families. This has made school fairer and more inclusive.</p>	<p>Continue with the focus on attendance as the basis for raising attainment.</p> <p>Continue with the subsidised provision. Parents of children with attachment difficulties appreciate the adjustments that can be made to support their situations.</p>
