PHSE

British Values

Positive and healthy relationships –  
recognising feelings in others and what  
constitutes a healthy and positive  
relationship.

Positive and healthy relationships –  
recognising different types of relationships

Health & wellbeing – knowing what  
positively and negatively affects physical,  
mental and emotional health and healthy  
eating.

Health & wellbeing – recognising how  
images online and in the media can affect  
our own self- image.

Living in the wider world – rules, laws and  
human rights.

Living in the wider world – cultural  
practices that are against British law.

MFL
